ROSALIND CASSIDY is a North Bay native who dominated NDA and NOSSA in both middle distance track events and cross country running before going on to Illinois State University where she was named to the Missouri Valley Conference all time middle distance team.

While attending West Ferris (1978-'82) and being coached by Jon Cobb, Cassidy competed at five distances (200m through 3000m) recording ten first place finishes and a second in both NDA and NOSSA events. She won four 800 races and three 1500's in both NDA and NOSSA while in provincials (OFSAA) Cassidy had a 2nd (800) and three 4ths (800,1500 & 3000). She holds three NOSSA retired girls records (M 800, Sr 1500, 3000).

She was just as dominant in cross country running as she won four NDA races and took three NOSSA 1sts and a 2nd. At OFSAA she finished 3rd, 5th and 8th. Competing with the North Bay Legion girls cross country team she helped them win bronze in 1981 and gold in 1982 in the Canadian Junior Championships.

During her University career she represented Illinois State in indoor and outdoor track events as well as cross country (1983-87). An eight time MVC Champion she set seven school records and was on the 4 by 800 relay team that qualified for NCAA Indoor in 1984.

Cassidy had 33 individual and relay first place finishes at all distances in the Indoor track program while running outdoors for ISS she had 13 firsts. Competing in cross country she was credited with 19 top ten finishes from 1983 to '86.

A four year letter winner, Cassidy was All Conference 17 times. After University she had three top five finishes in Ontario (OTFA) championships as well as qualifying for the Canadians in both 3000 and cross country.

DOUG JESS was born in Hamilton and arrived in North Bay in 1968 to teach at Widdifield SS. Over the next thirty odd years he made his mark as a coach, mentor, convenor, executive and official in gymnastics, volleyball, nordic skiing, cross country running and track and field. His charges won a total of 27 OFSAA medals including five gold and nine silver in four sports. Jess coached teams to 30 NOSSA team championships and 31 individual NOSSA awards as well as 73 NDA team and 56 individual titles in five different sports.

Marc Dunn (volleyball), Greg Duhaime (running) & Dave Steeper (gymnastics) were all coached by Jess and went on to National and Olympic team status in their respective sports .

Jess coached gymnastics from 1969 to 1979 with his gymnasts bringing home 20 OFSAA medals as well as winning 45 NDA team and individual titles and 28 NOSSA championships.

He coached boys volleyball for 16 years winning some 20 team titles in either junior or senior and becoming an OVA official. In nordic skiing he had a hand in four OFSAA provincial meets held here and his cross country running competitors won 34 NDA team or individual titles along with 13 NOSSA championships.

His track and field athletes were good for 8 NOSSA and 34 NDA titles.

Doug Jess was more than just a coach - he was a key convenor, executive, judge or official for numerous sports at both the high school and the community level.

FRED JUETT is a native of Victoria BC who was 12 years of age when his family moved to North Bay. Displaying an early talent for soccer he played for Trout Lake in the North Bay Minor Association - winning two titles and being named to the Selects in 1978 and '79. He starred with West Ferris Trojans in the NDA Soccer League - helping them to undefeated seasons in both 1980 and '81, a League title and a playoff championship. At 17 he joined Germania of the Men's League, helping them to League, Playoff and Northern Ontario titles in 1980 and the League title in 1981. He also played the indoor game with Germania as they won three consecutive championships.

At 19 he made the Montreal Manic (NASL) Reserve squad before opting to join the Laurentian University soccer program where he was a standout for four years, being named a Canadian (CIAU) All Star in 1984 and '85 and an Ontario (OUAA) All Star four years in a row. The Vees won four straight OUAA championships and took Canadian crowns in 1983 and '84. Juett was three time team MVP and a two time Vee athlete of the year.

After University he joined pro ranks with Ottawa Intrepid (OSL) for four seasons being named team captain in 1990. He then played the Senior Mens game with the Ottawa Royals until the mid nineties leading them to six Ottawa Cups. During his playing career he was used as a striker, a wide midfielder and a centre midfielder.

He coached Carleton University's varsity womens team for some 15 seasons and handled Nepean United Spirits to three Ontario Men's titles and national crowns in 1997 and 1998 as well as national bronze in 1999. With the Ottawa Royals program he coached the women to an Ontario Cup in 2006 and two local league titles; his mens Royals teams have won three league crowns.

JOE TRIPODI was born in Reggio Calabria, Italy and was barely into his teens when he began to play organized minor soccer. At 17 he joined a Junior team affiliated with a third division professional club in Genoa and a year later, in 1950, he came to Canada and settled in North Bay.

Soccer was far from a mainstream sport here at the time so Joe and some friends got together for informal games on whatever open space was available. A men's house league was formed in 1962 and some "friendlies" were played with teams in the Sudbury area. A soccer field was developed adjacent to Scollard Hall and the sport began to grow.

Tripodi helped organize the Azzura soccer club that played locally and in the Sudbury league. The team was later known as Garland Azzuras and then Davedi Garlands. He played in the senior league from 1952 to 1963 when a back injury ended his active career at 31. Few records were kept at the time but it is generally acknowledged by his peers that Joe Tripodi was a superb soccer player, a dangerous striker who had a penchant for kicking game winning goals.

Although unable to play, his love of the game kept him involved and he became a successful coach, leading the Azzuras to North Bay's first Northern Ontario Soccer title. He not only coached and managed for better than a decade he also served on the team management committee until 1981. He was a Director on the North Bay & District Soccer Association for a number of years and served a term as President. He helped found the original local indoor soccer league which operated out of the RCAF gym.

Player, coach, administrator and executive -Joe Tripodi served soccer well for many decades.

JIM WATSON was born in Malartic Quebec and was 16 when he first arrived in North Bay in 1959 to attend Algonquin Composite School where he played junior and senior football and hockey. After a brief stint with Hamilton Red Wings of the OHA Junior A circuit (now the OHL) , he decided to turn pro and for the next 13 seasons played defence for teams in 14 different cities in eight leagues including the World Hockey Association and the National Hockey League . On his retirement in 1976 he had played a total of 848 games in the pros, had been assessed 1212 penalty minutes, scored 36 goals and added 143 assists for 179 points. All told he played 253 games in the WHA (47 pts,248 PIM), 221 in the NHL(23 pts, 345 PIM), 145 in the AHL, 130 in the CPHL and 72 in the WHL as well as 27 matches in other leagues.

Watson broke into the original six NHL with Detroit in 1963 but spent much of his first six professional seasons in the CPHL,AHL, WHL and CHL although he was with the Wings for the complete 1967-68 campaign. He was claimed by the Buffalo Sabres in the 1970 Expansion Draft and scored the Sabre's first official NHL goal. He spent two productive seasons in Buffalo before he was claimed by the Los Angeles Sharks in the 1972 WHA General Player draft. After a couple of seasons in LA he was traded to WHA Chicago Cougars in 1974 before being picked up by Quebec Nordiques in the 1975 WHA Dispersal Draft.

During his professional career Watson spent many of his summers here in North Bay and on retirement owned and operated several local businesses.

Dear Friends:

As part of its mandate to preserve North Bay's sporting history, the NBSHF is interested in borrowing heritage sports photographs in order to scan and archive them as well as present them to the public in the form of PowerPoint exhibits. If you have any historic pictures that you would be willing to loan to the NBSHF, please contact Brent Pigott at 495-1463, Doug Jess at 474-6884, or Pete Handley at 472-3573. The pictures will be scanned into our system, and the originals will be returned to you.

We are also interested in displaying sporting artifacts in our showcases at Memorial Gardens and Discovery North Bay -- if you would be willing to loan or donate such items to the NBSHF, please contact any of the above named.
